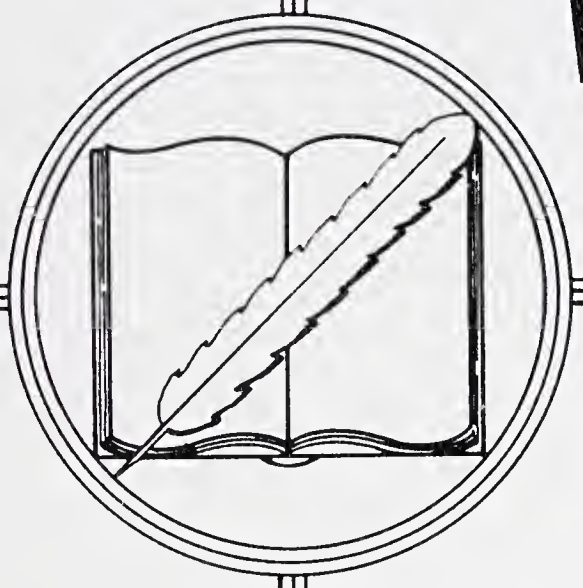
The Whispering Pines



1951

West Yadkin High School

Hamptonville, North Carolina

Annual Staff

Editor, Martha Thomasson; Co-Editor, Frances Jeane Davis; Sports Editors, Jo Ann Van Hoy and Selwyn White; Typist, Lutrelle Oliver; Business Manager, Billy G. Johnson; Society Editor, Magalene Wagoner; Secretary, Betty Ann Steelman; Treasurer, Lester Reavis; Class Editors, Betty Lou Hall, Lorene Wagoner, Imogene Groce, Patty Gough; Sponsor, Mrs. Frank Steelman.

The Foreword

The 1951 Whispering Pines Staff has worked hard in order to make this annual one that will be entertaining and enjoyable to all. We are proud that we can include within our annual for the first time, the pictures of the elementary students and their teachers. With their co-operation, and the advice from our high school teachers and principal, this annual is one of which we feel proud. We wish to express our appreciation to all of them.

Dedication

For the patience and understanding she has rendered to us, we the Annual Staff of West Yadkin High School appreciatively dedicate the 1951 edition of Whispering Pines to our sponsor: Mrs. Susan S. Steelman.

Our School

Students of West Yadkin, have you looked around you lately? If not, do so! You will be very proud of what you see.

At West Yadkin School during the past few years, many improvements have been witnessed by the surrounding communities. Most recently, an addition to the former first grade building alloted West Yadkin a beautiful and complete combination library and study hall, an all-important lunch room, science laboratory, commercial room, and two eighth grade rooms. Each of these rooms contains the most ultra-modern equipment, of which the students are very proud.

We feel that the faculty at West Yadkin is more adequate than in previous years. The addition of a commercial and a science teacher enables us to state this. Also, the revival of a third year of Home Economics makes our school complete.

Students! The least we can do to show our appreciation is to co-operate with the faculty and fellow students and to take good care of the property.

WE, THE SENIORS OF 1950-51

At last we are seniors'. After four years in high school we feel proud to be seniors. Now the time has come for each one of us to be thinking of the future and leave West Yadkin with fond memories of studying and learning. We are the citizens of tomorrow and what we do now shall determine the kind of nation we will have to live in.

We saw the beginning of a new era in education at West Yadkin, an era of new building, a business course, 3rd year Home Economics, and at last a cafeteria.

We deeply appreciate the advice and teaching, that you, the teachers have passed on to us. We have had a pleasant task as well as a tough task, but still we have enjoyed each moment of it. We sincerely hope we leave fond memories of our class to our teachers and fellow students.

We know that our nation shall be strong and free as long as there are schools that uphold the American ideals as West Yadkin does.

WE, THE JUNIORS OF 1950-51

When we returned to West Yadkin in September we were prepared for a big year, and a big year we had.

We were all so happy when we heard a voice saying, "All Juniors who want a class ring follow me". We ordered our rings and were proud to see them when they came back.

We worked hard to have a successful banquet for the seniors who were leaving us. When it was over we felt it had been a success.

There were many things to do other than studying. One could always take part in some sport. Some were interested in cheering for their teams.

We had our light moments, we had our serious moments, and as the year moved to its inevitable end, these moments crystallized into colorful memories which found a permanent resting place in our hearts.

Memories of the past and hopes for the future--this was our Junior year.

WE, THE SOPHOMORES OF 1950-51

After three months of vacation, we were glad to get back to school and learn of the exciting events that had taken place. It seemed that some of the familiar faces were missing from our group. Some had moved and others were working. We missed them.

High School wasn't as strange to us as it was our freshman year. We still had our assignments, but fun along with them.

We were proud to have some of the basketball players selected from our class. Those of us who were not fortunate enough to be on the team stood by them on the sideline and yelled.

We looked forward to next year--our Junior year.

FRESHMEN CLASS OFFICERS: First Row: Bobby Gray, Vice-President; Vonda Hemric, President; Darlene Dickerson, Secretary.
Second Row: Betty Wilma Steelman, Reporter; Patty Gough, Treasurer.

WE, THE FRESHMEN OF 1950-51

September, 1950 found us in high school for the first time. At first we were a little nervous wondering which class to go to and where the rooms were.

Study hall was new to us because we didn't have it in the elementary grades. The first few days we did not know what to do with our time, but we soon found out.

Our different teachers were new to us also. In the elementary grades we had only one teacher and now we have a different teacher for each subject.

Finally we became adjusted to high school life. The year was rather enjoyable, although we did have many tests and most of our time was filled with work.

We were freshmen--but not for long!
